

Events at the Bowling Green

The purpose of the Bowling Green facility is a family friendly outdoor recreational area for lawn bowling. The clubhouse facilitates food and beverage services to participants, washroom facilities and a place to visit and relax.

To enable additional revenue streams for the facility, Parks Canada will work with the lessee to address and mitigate conditions associated with hosting occasional events.

Capacity - indoor 45 people - outdoor capacity 100 people – Combined 100 people .

Parking - maximum capacity of 30 cars in the parking lot. (street parking is limited to a few vehicles on the east side of Lily Street). Events larger than 60 people must communicate alternative parking locations to the guests and provide availability of alternate forms of transportation (drop off and pick up) for the guests.

Garbage/Recycling – must be disposed of in one of the 3 bear proof bins in close proximity. Any temporary outdoor garbage bin must be closely monitored and emptied frequently. Garbage must not be left out overnight.

Hours - at the discretion of the operator but will end no later than 10 pm.

Entertainment - Will end no later than 10 PM or the end of the event permit, whichever is earlier. Music/entertainment must not be amplified to a level which may disturb the surrounding residential cottage/campground area.

Catering/food service – A business licence is required for catering and food services within Wasagaming. This will ensure liability, health and safety measures are adhered to.

Liquor Permits – LGCA liquor permits are subject to Superintendent approval and licence details must comply with these stipulations.

Non-Permanent Structures – such as event tents may require a permit prior to the event. Contact RMNP.Development@pc.gc.ca for an application

Washrooms – additional facilities may be required depending on the number of guests. Portable units must meet all environmental and safety standards.

Parks Canada Approval – please submit details of your event request to RMNPRealty@pc.gc.ca for approval at least 2 months prior to the proposed event.
